Grading: This is a 0 credit hour course. However, attendance at all seminars is expected as the seminar series has been designed to flow from one seminar to the next building a foundation for academic success. Students are urged to keep a journal noting key seminar lessons learned.

Winthrop University policies apply to this course. These include the Student Conduct Code, no cheating or plagiarism in any form, and those for Students with Disabilities.

Academic Success Center (ASC)

Winthrop's Academic Success Center is a free resource for all undergraduate students seeking to perform their best academically. The ASC offers a variety of personalized and structured resources that help students achieve academic excellence, such as tutoring, academic skill development (test taking strategies, time management counseling, and study techniques), group and individual study spaces, and academic coaching. The ASC is located on the first floor of Dinkins, Suite 106. Please contact the ASC at 803-323-3929 or success@winthrop.edu. For more information on ASC services, please visit www.winthrop.edu/success.

The Global Learning Initiative (GLI) defines "global" as "local, regional, national, and/or international experiences that may differ from one's own culture." Students will be exposed to different cultures through community service projects and seminar presentations by world travelers and from those who studying abroad.

Winthrop's Office of Nationally Competitive Awards (ONCA) identifies and assists highly motivated and talented students to apply for nationally and internationally competitive awards, scholarships, fellowships, and unique opportunities both at home and abroad. ONCA gathers and disseminates award information and deadlines across the campus community, and serves as a resource for students, faculty, and staff throughout the nationally competitive award nomination and application process. ONCA is located in Dinkins 222. Please fill out an online information form at the bottom of the ONCA webpage www.winthrop.edu/onca and email onca@winthrop.edu for more information.

Students with Disabilities/Need of Accommodations for Access:

Winthrop University is committed to providing access to education. If you have a condition which may adversely impact your ability to access academics and/or campus life, and you require specific accommodations to complete this course, contact the Office of Accessibility (OA) at 803-323-3290, or, accessibility@winthrop.edu as early as possible to discuss your concerns. once you have your official notice of accommodations from the Office of Accessibility.
